FOR IMMEDIATE RELEASE

The Borough is cognizant that the issues with Holiday Snack Bar are of ongoing concern to Borough residents and visitors. As such, we are providing the following update to the community:

- On Friday, May 12, 2023, counsel for Holiday Snack Bar informed the Borough that it intended to file a minor site plan application relative to outdoor seating at Holiday Snack Bar. Counsel anticipated submitting the application by Monday, May, 15, 2023.
- Based on the aforementioned representation, on May 12, 2023, the Borough Solicitor verbally informed counsel for Holiday Snack Bar that its mercantile license for 2023-24 would be conditionally approved.
- On Monday, May 15, 2023, the Borough Solicitor confirmed in writing that Holiday Snack Bar's mercantile license was approved, provided it submits a Land Use Board application related to its outdoor seating and complies with all applicable land use law and Borough ordinances.
- Later that day, Monday, May 15, 2023, Holiday Snack Bar submitted a Land Use Development application related to its outdoor seating plan.
- The Beach Haven Land Use Board is a public entity independent and autonomous from the Borough. However, it is the Borough's understanding that the Land Use Board will consider the application at its next meeting – June 5, 2023 at 6:00 p.m.

The Borough will not comment on the substance of Holiday Snack Bar's application, but will defer to the Land Use Board process and determination. The Borough's interest here has been and continues to be ensuring compliance with the law and proper procedure.

Beach Haven Municipal Council and Borough Manager #609-492-0111
